

C7TZ-99279A66-A / C7TZ-99279A67-A 1967-72 F100 Three Hole Taillight Bezels

SPECIAL NOTICE FOR INSTALLATION

Dennis Carpenter Ford Reproductions recommends that the center screw be installed first when mounting our reproduction 1967-72 F100 taillight bezels. This will hold the bezels in position and make the installation of the top and bottom screws easier.

Begin installation
by inserting center
screw first.
